

Updates since Agustyati et al 2025.

Since the publication of the data we have updated the DPR information to correct three errors. Specifically:

- 2024 / Jawa Barat I, the value of TPV for Demokrat is 131385 throughout, whereas for one entry it was reported as 306652 in Agustyati et al 2025.
- 2024 / Jawa Tengah IX, the value of TPV for PBB is 2425 throughout, whereas for one entry it is 1148 in Agustyati et al 2025.
- 2019 / Jawa Timur I, the value of TPV for PSI is 109130 throughout, whereas for one entry it is 76142 in Agustyati et al 2025.

We have corrected these errors in the file provided here below: DPRv2. Thank you Chris Hanretty for bringing these errors to our attention.

Please let us know if you find other errors and/or if you have additional election data to share.
